

Program Fees and Policies G-5 Men's Group – Called to Peace Ministries

The fee for participation in the G-5 Men's Group program is \$800.00. This covers each of the 32 educational classes at \$25 each. Save \$80.00, if you choose to pay all upfront (\$720.00), or make two payments. The first payment (\$400.00) is due before classes begin, September 8th, 2021. The second payment (\$400.00) is due by October 9th, 2021.

Suspension Policy

1. You will be suspended on your fifth absence, if you have missed three classes in a row, if you are more than three 4 weeks behind on payment, for misconduct in the class that continues even after it has been addressed, or for a new offense.
2. You are allowed four absences. No absences are excused unless you have a note from a doctor or from work. That is why four absences are given—for sickness, funerals, work, etc. You must make up your absences.
3. Do not expect a call back when you call to say you are absent. Also, because you have called does not mean you are excused.
4. You can expect a call back if you are calling to be put on reserve, if you need to switch classes, have a new address, etc.
5. Remember to update us with your new addresses and phone numbers. If class is canceled and we do not have a current phone number to let you know, you will not get credit even if you show up for class.

The G-5 Men's Group charges a \$50 re-enrollment fee for reinstatement after suspension from the program. The fee must be paid on or before the re-enrollment date and all other payments must be current.

Payment Plan

I will pay \$400.00 prior to the first class, then \$400.00 one month later and make sure I allow enough time to make my payment before class begins, or I will pay a discounted fee of \$720.00 for the entire program prior to my first class.
