

HOW YOUR CHURCH CAN GET INVOLVED DURING DOMESTIC VIOLENCE AWARENESS MONTH

Called to Peace Ministries is here to help you shepherd your congregation and wants to be a resource for you during Domestic Violence Awareness Month. We have a wide variety of tools and options for your church to utilize throughout the month.

- CTPM print resources to put in bathroom stalls or in your lobby
- DVAM table set up in your lobby for women and families to gather resources and to speak to someone if they need help
- Show a brief video about domestic violence during church or on your website
- Take up a special offering during the month of October for Called to Peace Ministries
- Invite our Executive Director, Joy Forrest to speak at your church for 10-15 minutes in the month of October
- Post on church social media outlets about Domestic Violence Awareness Month
- Share statistics during your church service to bring awareness and offer support
- Partner with Called to Peace Ministries to become equipped to handle domestic violence in your church and create a church-wide domestic violence response plan
- Connect people in your church to CTPM domestic violence support groups
